Munisha Aslam is thirteen years old and studying in 3<sup>rd</sup> class. She has two brothers and three sisters. Her father is not fit medically and that is why he can't work. But the elder brother of Munisha works on daily wages to help his mother. They are living at rental house. Her mother's name is Shumaila Aslam who is working as a cleaner in different houses to earn money for food. They are very poor. They do not do not have money to pay their expenses of education.

The Agape Pakistan Charitable Foundation we partner with is helping this girl for her education using the foundation's limited resources. We need sponsors for this child to help provide the \$360 needed for annual support for her education, basic health care, and Sunday school. We ask you to prayerfully consider helping this child to be a good Christian citizen of Pakistan.
