Gender: Male

Isaac John is six years old and studying in prep class. He has one sister and one brother. His father name is Ejaz Qaiser who is a worker in a factory. His mother name is Rehana Yasmine who is a housewife. They don't have their own house. His parents' earning is not enough to fulfill the educational needs of their children, but they have a strong wish to educate their children. Agape Charitable foundation is helping this boy for education using their limited resources. Agape needs sponsorship for this boy. We request to all charitable people to help this boy to be a good Christian citizen of Pakistan.

For more details about this boy or Agape Missions Worldwide Foundation feel free to contact us via email at agapemw2017@gmail.com or visit our web site at <http://agapemw.weebly.com>. Donations made through Agape Missions Worldwide are tax deductible.
